Gig Economy Platform & Gigecoin Business Model

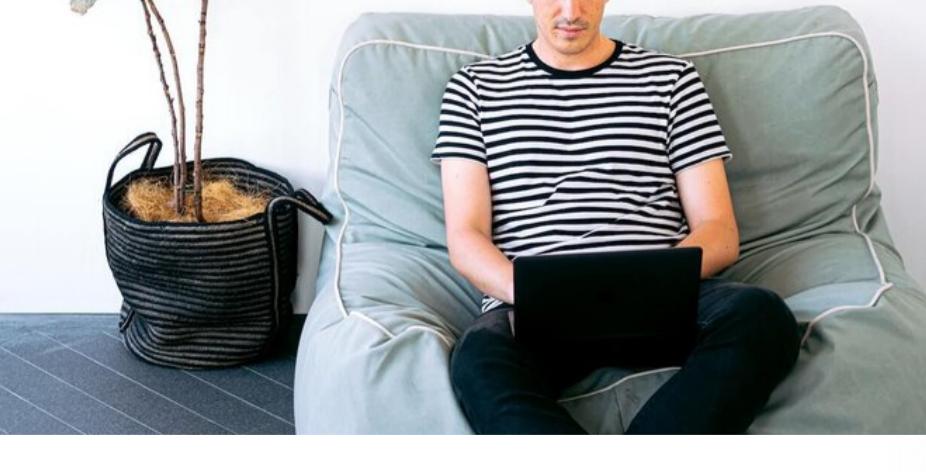

To create new innovative ways using the next Emerging Technology.

The essence of digital transformation is to innovate and create new ways of doing things and business with the growth to leverage existing and emerging technologies into daily lives. We have chosen Jobs, Payments in low cost beyond the next 50 years.

[Participate](#)

Tokenized Payments using Smart Contract

Using the power of Blockchain and Smart contract, we created an economy where workers benefit from the low cost transfer fee and reducing the cost paid thru intermediaries.
